## • CASEY BOOTS

The CASEY boots capture the wild spirit of the CAITLIN collection by ba&sh. The authentic design is feminized with a beveled heel and a velvety touch. They complement your finest looks, whether in summer or winter. From the natural bronze effect to the timeless elegance of black, the versions adapt to the nuances of a flowing skirt or a bohemian dress.

**The LWG certified suede calf confirms an eco-friendly manufacturing process, a core value for the brand.**

## • TEDDY BAG

The ba&sh TEDDY bag was designed by Barbara & Sharon as an essential companion for women, carrying all their essentials. Rounded and adorned with numerous artisanal details, such as handwoven elements that give the bag its unique identity. The TEDDY bag is a nomad that adds a bohemian-chic twist to all looks, emblematic of the ba&sh brand. A shoulder bag that aligns with ethical and sustainable practices: the bag is crafted from Italian leathers sourced from tanneries audited **by the Leather Working Group**.

- RESET

### The first watch by ba&sh

Named RESET as an invitation to take a break and a **promise of renewal**. The braided bracelet with engraved links celebrates the meeting of cultures. Halfway between ancestral heritage and a rock spirit, RESET is a watch that blends genres, much like ba&sh; both bohemian and Parisian. RESET charms with its timeless aged effect, achieved by brushing and hand-patinating raw steel, piece by piece. A favorite watch that will bring an extra touch of style and energy to any outfit, available in three variations.
